The Bermuda Post Office National Marketing Rates

Bermuda Post Office (BPO) National Marketing Mailings is the less expensive way to:

- Target a address list
- Reduce mail preparation costs
- Send out local or national campaigns
- Market your product, service, idea, store openings, sales, or other major events.
- Build more traffic, increase revenue and find a new prospective customer base by marketing to every household in the local target mailing routes you request.

Flyers pack a lot of marketing punch. The BPO National Marketing Program allows you to mail flyers, brochures, coupons, menus, store maps, postcards, catalogs, booklets and more for as low as .15 cents per mailing piece. Flyer Class mail is delivered with the day's mail to every household, business or PO Box by delivery routes. You get Priority Service at the lowest available BPO Mail Rates. National Marketing Mailings eliminates the cost of a mailing list and printing specific names and addresses on every single piece by using "To: Occupier."
